Social Media Guidelines for the Lake County Law Library

Purpose
We welcome your comments on the Lake County Law Library social media sites. The law library’s social networking activities are designed to inform the legal community about library services, resources, and operations of the Lake County Law Library, in addition to promoting news and information of interest to library users. We encourage you to submit your comments, suggestions, questions and concerns, but please note that these sites are moderated online discussion sites and not public forums.

Once posted, the Library reserves the right to delete submissions that contain vulgar language, personal attacks of any kind, or offensive comments that target or disparage any ethnic, racial, or religious group. Further, the Library also reserves the right to delete comments that are: (i) spam or include links to other sites; (ii) off topic; (iii) advocate illegal activity; (iv) promote particular services, products, or political organizations; or (v) infringe on copyrights or trademarks. The Law Library also reserves the right to close comments at any time on any or all of its social media sites.

Please note that the comments expressed on these sites do not reflect the opinions and position of the Lake County government or its officers and employees.
